## November 2020

### Collective Responsibility

I want to say thanks to everyone in our community for helping keep our students safe this year. I could not have imagined back in August that we would make it this far without having a positive case in our school, however, I know with the uptick of cases in our community that it will be increasingly difficult to keep it from occurring. This is why I want to encourage all of us to double our efforts in doing everything we can to keep our students safe and remembering it is not one person's responsibility but it is our collective responsibility. Together we can keep our students learning in person for as long as possible, but it is a team effort. Please, follow our Mesa Health Department's recommendations of avoiding the three "C's." They are:

- Crowded places
- Close-contact settings
- Confined and enclosed spaces

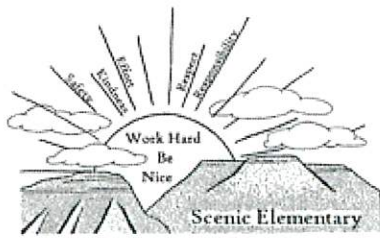

Also, remember to keep your child home if they are sick or have any of the major symptoms of COVID. Finally, please wear a mask (over your nose) when you are in public places.

### Scenic PTO Family Ornament Paint Event

Hello wonderful families! Given all of our limitations this year, due to COVID, our PTO has partnered with Angelo's Pottery Studio to offer an Ornament Paint Event. You will be able to preorder your ornaments and paint colors November 1st - November 8th. They will be delivered to the school and sent home with your child the week of November 9th. You will have until November 16th to return them back to us. They will be glazed and fired and will be ready to hang on your tree by November 20th. We will be sending more information home with your child on Monday, November 2nd, so be on the lookout for that. Any proceeds will go towards future school and classroom needs.

\*Even if your student is doing remote learning, we can have the ornaments ready for you to pick up as well at the school.

### Candle Kitchen Fundraiser

Happy November! I just wanted to let our wonderful Scenic families know that we are still planning on doing our 3rd Annual Candle Kitchen fundraiser in November. Be on the lookout for more information coming home soon! Thank you, Gena Arellano

### Food Drive

Beginning Tuesday, December 1st through Friday, December 11th, Scenic Elementary will be holding a canned food drive. Last year, the Scenic community collected over 2,500 food items! All collected food items will be split between Junction Community Church and the Salvation Army in partnership with The Food Bank of the Rockies.

Canned food and other non-perishable food items can be brought to school at any time and placed in boxes in each classroom. The class that collects the most food items will get a special celebration.

Let's see if we can beat that record this year!
